Events and Displays

Agility Demonstrations—Located on the grass beyond the marquee. Come and watch the our canine athletes go through their paces running jumping and weaving. **Displays 11.am and 2pm on Saturday and Sunday.**

Agility is a competitive team sport, with the team consisting of a handler and canine partner. The team must race against the clock to complete all the obstacles within a pre-designed course, correctly and within time.

Agility is a great way for anyone to have fun with their dog. No matter what level a team competes at, or what breed your dog is, agility can form a strong bond between dog and handler, and is suitable for both the serious or casual competitor alike. There are no barriers – young, old, tall and short, and that's just the dogs! Primary school children through to those in their 80's are currently competing in agility in New Zealand.

Grooming Demonstrations—Watch the experts and learn how you can care for you dog, Everything from teeth, nails brushing, trimming and bathing. **Demonstrations each hour from 10.am**

Kids Corner—Meet Heather from BARK. Find out about being safe around dogs. Spend time with the special BARK dogs, watch videos, colour in or just read a good dog story. Make a gold coin donation towards the BARK programme in schools and be in to win a family pass to **Rainbows End.**

Dog Photo Board

Bring your dog's photo to the Auckland Council stand in the marquee. Place you photo on the board to win special rosettes and a Eukanuba Ball Thrower. Awards made at 12.30 and 3pm.

Veterinary Associates— visit the team in the Marquee for excellent Eukanuba, Flea treatment and De-sexing show specials!
