 Catalogues: \$4-00 per group. \$8-00 Full. To be ordered and paid with entries. Catering available.

Our Judges

TIMOTHY THOMAS – Group 1

I have been involved in the 'Dog World' since the age of six.

Over the years I have handled numerous Collie Roughs under the family prefix of 'Ochaye'. I have also shown and handled many other "working/herding" breeds as well as various "toy" breeds – most significantly the Chinese Crested.

My love of Collie Roughs began when I first saw the breed while visiting friends in Scotland. Since then my family and I have titled 20 Collie Rough exhibits, in all three colours; including 15 which bear our 'Ochaye' prefix and 3 which have gone on to become dual (New Zealand/Australian) Champions. I have also been the Secretary of the Chinese Crested Dog Club of Qld and am currently the Club's Vice President. I am one of the founding members of the Toy Dog Club of North Queensland. Undoubtedly, a high-light of my judging career has been the honour of presiding over both the 'Toy Dog Club of North Qld' and the 'Inaugural Toy Dog Club of Central Qld' Shows in late 2007 and 2010 respectively.

To date, I have judged in all States of Australia as well as in New Zealand and Thailand.

NATASHA RYAN – Group 2

I have been involved with dogs all of my life.

My parents were involved in the showing & breeding of Newfoundlands under the Happybear prefix since 1978. I began showing dogs at the age of 11, and from then on my love of showing has grown. I took over the prefix at 21 and have continued breeding Newfoundlands with great success, having owned and/or bred a Grand Champion, BIS winners, Royal BIG winners and Specialty CC winners. I began my judging before the age of 21 and by 26 had qualified to judge Utility, Gundogs & Terriers at Championship level. I have since judged within WA, Victoria, South Australia and Tasmania.

This is the first time that I will judge Group 2 in New Zealand.

AINSLEE CARIUS – Group 3

My family bought our first Basset Hound in 1970. This was before I was born so I have grown up with the breed. Ralph was very tolerant of my pulling his ears and attempts to harness him as a miniature pony and he is no doubt the reason I have continued my association with these noble hounds.

In the early 80's, I commenced showing dogs as a junior handler, a highlight being representing my state at the national final. I have continued that "hands on" involvement in canine activities showing and titling Basset Hounds for friends and under my prefix AARU.

Once I gained my licence as a breed specialist judge, I undertook to join the judges training scheme to expand my knowledge about other breeds. I currently have ANKC Championship Groups 4 (Hounds) and 3 (Gundogs).

I am currently a member of the Dogs Queensland Board holding the position of Senior Vice President and am one of the representatives for our state at the Australian

National Kennel Council (ANKC).

I also hold positions of President of the Basset Hound Club of Queensland, Secretary of the Hound Club, Life Member of Gundogs & Heavy Breeds Club.

FRED (John C. Frederick) PEDDIE – Group 4 & BIS

For as long as I can remember, I have had a passion for purebred dogs. I have bred internationally award winning Chows having the Top Dog in three countries simultaneously. My most famous Chow was Can. Am. Ch. Mi-Tu's Han Su Shang, a group winner at Westminster, winner of 2 US National Specialties, and the Top Dog All-Breeds in Canada.

Moving from Chows, saw the introduction to French Bulldogs (early '80's). Thanks to the assistance from De La Parure kennels, I have had 4 World Winners, the top bulldog in Holland, and multiple specialty show wins in Europe.

Today my household is ruled by two 12-year old, homebred champions, and my busy judging life has seen me officiate at shows around the world. In 2013, I had the prestigious honour of judging Frenchie Males and BOB at the WDS in Budapest.

My judging career has taken me around the globe... throughout Europe, South and North America, Australia, and Asia.

ANTHONY PRICE – GROUP 5

I was born into the dog world, the third generation of a fox terrier mad family, together with my family we have produced BIS, Specialty and National Specialty winning dogs. I commenced judging lectures at 16 and attained my first championship license at 20. I have served as President and show manager of the Junior Kennel Club of Vic. As an author I have contributed monthly articles to the DogsVic gazette, Australian Dog Show Scene magazine, Dogs In Review (USA) and several annual accounts for Our Dogs magazine (UK).

This is my second trip to NZ judging and my first to the North Island.

SCOTT SANDFORD – Group 6

I have judged in all States of Australia, Ireland and UK.

I have handled and presented dogs in the USA, Belgium, France, Denmark and Germany.

This will be the first time for me to judge Group 6 in New Zealand.

MILAN CURK – GROUP 7

My involvement with dogs has spanned over 30yrs beginning with afghans. A sight hound person with borzoi as the chosen breed. I have exhibited with much success, also showing the breed in NZ & England. I have been involved with club management for many of these years, at breed, group & all breeds club levels. At the moment I have six groups to my name, & have judged throughout Aust, NZ & Europe, also judging my own breed in three different countries.
